Minister of Local Government

LETTER OF EXPECTATIONS

I write on behalf of the Board to acknowledge the letter of expectations dated 14 December 2022.

That letter was sent to Taumata Arowai by your predecessor, Minister Mahuta, and I am seeking to understand whether the letter covers your expectations of us, or if you have any changes you would like to make.

We will be reporting to you quarterly against our enduring performance framework and the letter of expectations. The report will be provided to the monitoring team at the Department of Internal Affairs (DIA) after it has been signed off by the Board.

I trust the regular Taumata Arowai updates in your weekly DIA Status Report have been helpful for keeping abreast of developments.

As noted in the Briefing to the Incoming Minister, sent to you on 8 February 2023, we are available to meet at your convenience.

Nāku noa, nā

Dame Karen Poutasi
Chair, Taumata Arowai
