

BOIL TAP WATER UNTIL FURTHER NOTICE

A boil water notice has been issued for your water supply.

Boil tap water or use bottled water.

Continue to use boiled or bottled water until this notice is lifted.

To avoid potential illness, you need to:

Boil water in a kettle until it turns off by itself
or bring it to a rolling boil on the stove.

Use boiled or bottled water to:

You can use tap water with caution to bathe, wash your hands,
run a dishwasher on a hot cycle, wash clothes and water plants.

Do not swallow tap water while bathing.
