

DO NOT DRINK OR USE TAP WATER UNTIL FURTHER NOTICE

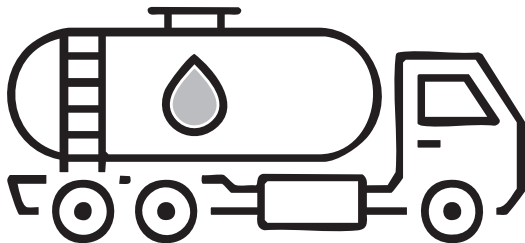

A do not use water notice is in place for your drinking water supply.

Bottled water or water brought in by a registered water carrier must be used.

Boiling water will NOT make it safe to drink.

You can still flush your toilet with the lid down.

Continue to follow this advice until this notice is lifted.

Use bottled water or water from a registered tanker to:

Drink

**Mix baby
formula**

Bathe

Make ice

Brush teeth

Wash hands

**Prepare and
cook food**

Wash dishes

Cleaning

**Give to
your pets**

This water is NOT safe to use.

Date notice was issued:

Name of water supply:
