

Do you provide drinking water to your community?

Come along to talk with us, and others, about safe drinking water!

You'll find us at these community events near you:

27 March 2025

11am – 3pm

Lighthouse Function Centre, Dargaville

Organised in partnership with
Ngāti Whātua, Te Uri o Hau and Te Roroa

28 March 2025

9am – 3pm

Ngāti Hine Health Centre, Whangārei

Organised in partnership with
Ngāti Hine and Ngāti Wai

Come along to find out about:

- how to check if your water is safe to drink
- how to make your water safe to drink
- how to clean and maintain drinking water systems
- drinking water treatment options
- water sampling and testing
- and much more!

At the Water Services Authority – Taumata Arowai we're committed to ensuring everyone in New Zealand has access to safe and reliable drinking water every day.
