LETTER OF EXPECTATIONS 2021/22 - Updated

I write on behalf of the Board to acknowledge your updated letter of expectations of 11 November 2021.

Because we were made aware of your additional expectations before receiving your formal letter, we were able to incorporate them into our *Plan to 30 June 2022* that we shared with you and our monitoring agency in mid-November. For ease of reference, a further copy is attached to this letter.

We will be reporting to you quarterly on these revised commitments, effective from Q2 2021/22 (ending 31 December 2021). This report will be provided to our monitoring team after it has been signed off by the Board at the February meeting.

I trust the regular Taumata Arowai updates in your weekly Department of Internal Affairs' Status Report have been helpful for keeping abreast of developments.

Finally, I thank you for your acknowledgement of our work to date and wish you well as you continue to deliver on the Three Waters programme.

Nāku noa, nā

Dame Karen Poutasi
Chair, Taumata Arowai
